

***Fast Track* Program for Quick Delivery**

For quick delivery, *Fast Track* offers our customers the opportunity to purchase a limited volume of product with lead times of 5, 10, 15, or 20 days for commercial components, and 10, 15, or 20 days for military-qualified components.

Building on its initial success, Vishay Dale is extending its *Fast Track* program to include all resistor families. Please see the second page of this brochure for a complete list of the products available through our *Fast Track* service.
